

*Peters & Associates Announces New Location*

**Oakbrook Terrace, IL—January 1, 2007 — Peters & Associates**, one of the most well-established companies in the technology design and integration industry, is pleased to announce its recent move to 1801 S. Meyers Road, Oakbrook Terrace, IL.

Peters & Associates, which celebrates its 25<sup>th</sup> year in business this year, had been located in Elmhurst since its founding in 1981. What began as Computerland of Elmhurst, with 3 employees in a retail storefront, has evolved over the past 25 years into Peters & Associates, a technology consulting firm with over 50 employees and 500 clients.

“Peters & Associates is pleased to relocate our facility to Oakbrook Terrace. Our expanded space improves the customer experience by providing increased access to our resources. Our employees have enthusiastically embraced our move and we all look forward to working in our new environment,” said Tom Wiesman, co-president of the company.

Peters & Associates is a Microsoft Gold Certified Partner and has vast experience in project management, directory solutions, security, mobile computing, and messaging systems, delivering scalable infrastructure solutions in a predictable manner with an emphasis on security and reliability.
